

PROGRAM OPPORTUNITY

CREATIVE CHANGEMAKERS

Upstart's 'Creative Changemakers' is an entrepreneurial educational program that can be delivered flexibly between 5 and 10 sessions. Students will consider issues facing the Geelong community and through an entrepreneurial journey, identify and develop innovative solutions. These solutions are aligned with the Greater Geelong community's aspirations towards a clever and creative future.

Students increase their skills in problem solving, critical and creative thinking, design, collaboration and communication. Teachers will increase their understanding of entrepreneurialism, the design process and gain skills in facilitating the program through a teacher workshop. In addition, they will have access to a resource kit including lesson plans, activities and videos to use in class.

PROGRAM INCLUDES

- 1 Day teacher professional development workshop - 9 October 2019
- Digital resources and teacher support
- Opportunity to access guest speakers from the Geelong community
- Opportunity to develop prototypes at the Geelong Tech School
- A pitching skills workshop & presentation event – 5 December 2019
